

The Punishment Of My Lukewarm Christians Forever And Ever!

"My people refuse to obey, My son. They prefer doing their own thing, not My will. For that they shall be punished eternally. They had many chances to obey Me, My son, but they refused, preferring their will in the world, My son. I Am angered at My lukewarm Christians, playing the harlot in the world, serving two masters. They never will obey Me, to evangelize the world, and for that I Am incensed! They shall never enter My Kingdom, lukewarm Christians of self and sinful pleasures. They will not obey Me, and for that I shall punish them in Hell, even the Lake of Fire forever! They shall never enter My Kingdom, lukewarm as they are, for I have spit them out of My Body to roast eternally in fire. Lukewarm Christians are everywhere, and they shall never enter My Kingdom! Your LORD has spoken. Amen and amen forever!"
